Minutes of last year's AGM

Signed as true record. Proposed – Arran Coggan, Seconded – Sue Birkett

Received five proxy votes by text. Voted in favour of accepting proxy votes this time and then reviewing the system for next season.

Chairman's address

Club back on sound footing after previous seasons.

Thanks to the Committee members – all done a great job.

Have accounts presented at AGM for the first time in three seasons. Bank account is low – need to do fundraising.

Need to start looking long term for the Club – we've only been thinking season by season but need to start to plan two or three years ahead.

Captains reports

Mens 1st

Thanks to Keith, Mark and umpires.

Scored 50 goals – most in second half of the season. League's top teams scored 66 and 61.

Two notable results – Players 6 - 2, Rolls Royce 10 - 0

Ladies 1st

Massive success for first season in Midland league. Settled into league quickly. Only team to take any points off league winners – Barton. Finished clear second. Terrific season.

Emma Wilson had a prolific season scoring 26 goals.

Lost some players to injury at Christmas. Could have gone done well in England Hockey Cup competition. Lost on golden goal to a team that play their hockey two leagues higher.

Mens 2nd

Thanks to Ryan and Benny. Finished 5th, 24 points, W 7, D 3, L10.

Ladies 2nd

Thanks to Arran, Craig and Katherine.

W 11, D 2, L 5. Scored 32 and conceded 19. Conceded the least goals in the division. Finished 4th with 35 points.

Mens 3s

Thanks to players and umpires and to Scott for helping.

Won 3 games but had 6 points deducted so finished on 3 points.

Arran thanked Ryan for the hard work he has done with the third team.

Ladies 3s

W 6, D2, L 12. Scored 33, conceded 63, stayed in division 2 which was the aim. Sorry not to be captain next year.

Juniors

O&B – another successful year. Had lots of new players coming in on a regular basis – 50 girls at High School. U10 reached Midland Finals, U12 runners up to Beeston in County and went to Midlands as well. At Cannock, U12 reached SF. Met Belpher.

7 girls from that squad representing JAC next week at Beeston.

2 players who went to Beeston also in that team. (9 at / from Newark)

Development Officer had impact on Junior Boys

Boys junior section proceeded well. Between 30 and 50 boys at training.

U10 boys reached Beeston and finished second. Got to Cannock – drew all games so didn't get through. U12 finished 5th in Cannock finals.

Boys section looking exciting.

Treasurers Report

£41 per hour to rent the pitch. Training session is £123 – one person's subs.

Broken even but only just. Pitch hire could be more next year.

Without Newark Show – fundraising next to nothing – £50.

Income from members £13,000 – relied on £3,000 that we won't get next season.

Had various ways of people paying. This season, people aren't playing if they haven't paid.

Increase match fees and subs? £140 match fees for adults and £80 for juniors/students. £6 match tax each person. 2 against, rest in favour.

AOB

- Junior Girls registered but not with us and so don't have any contact details when they come to adult training. If we are one Club then we can share the data.
- Running Level 1 Coaching course – 24, 26 June, 3 July, £150.
- Olympic tickets – how are we going to distribute the 12 tickets. Ballot for tickets based on those that have paid subs by certain time. Reserve four for end of season to auction.
- Sarah, Nic and Holly suggested running a Newark HC Summer league – Men and Ladies, 7-a-side, Mon/tues nights, 7 weeks from start of June, 2x30min matches.
- Sally to run, through Notts Hockey Development Group, a boys and girls U14 and U16 11-a-side league. Put cap on who can play – only JAC can play. U14 and U16 players should be playing third 11 but they are intimidated. Same with the boys. Matches when suits the two teams.
