

Newark HC

Membership Pricing Statement

As with all sports clubs, Newark Hockey Club approves the membership fees at its AGM in April.

We ensure that the fee represents good value, and ensure that as a club we can pay for the facilities, coaches, equipment, insurance affiliation fees to maintain the level of hockey that the club and its members demand.

However, the club has always supported members that can not pay their membership fee due to personal circumstances. In these cases, members are encouraged to speak directly to the Treasurer and work out an appropriate fee.

By adopting this service, we aim to provide a sports club that is accessible for everyone.

The Committee.
